

Omaha Chamber of Commerce Awards CSSS.NET
the "Excellence in Business Award" for 2009

CSSS.NET

Lisa Wolford, President and CEO

Products/Services: IT and engineering services provider

Founded: 1997

Number of employees: 109

One year goal: Provide the best people and value-driven information technology services to the government as possible. This will enabled our employees, clients and company the opportunity for continued growth.

Business tip: Do the right thing — take care of your customers and employees and the business will take care of itself.
