CSSS.NET - Local IT Consulting Firm – Receives Omaha 25 Excellence in Business Award  
OMAHA, Neb., May 16, 2006

CSSS.NET was recognized with an Excellence in Business Award in the 51-100 Employees category at the May 16 event at Holiday Convention Centre. Founded in 1997, CSSS is a privately held, innovative, growth-oriented, information technology (IT) engineering services firm. Corporate headquarters are in Bellevue. The company also operates offices in Arlington, VA near federal government customers.

CSSS specializes in providing IT engineering services and solutions nationwide. CSSS professionals use cutting-edge information technologies, tools, practices, and processes to provide a breadth of services and solutions for customers.

The Greater Omaha Chamber of Commerce recognized local privately held companies for their demonstrated financial growth and success - an operating history of at least five years, positive revenue and payroll growth over the last three years and demonstrate excellence in business practices.

“This was Greater Omaha’s premier event for honoring business excellence. We have fantastic companies in this community, and are excited to honor the best of the best through this luncheon,” said Omaha Chamber President and CEO David G. Brown.
